Wow!! Such a fantastic concept re-using an old flag and turning it into a portrait. I am a Canberra art student and this is so inspiring. Thanks and congrats Ben Shine!

I just heard the interview with Louise and Ben Shine and just had to see what they were talking about. Gosh, this portrait certainly doesn't disappoint!! Nice work Ben, and thanks for such an interesting interview Louise.

Wasn't too sure I would like this when I heard it was made out of a ripped flag (I am American) however, this has totally exceeded my expectations. I have already emailed my relatives in America, to tell them to grab me a t-shirt, mug and poster. Any chance of an autograph Ben??
