Lars Walter: Cross Over
The German artist and furniture designer Lars Walter is a firm favourite with the Rockart Gallery, and no wonder, his work, like this exhibition, which mixes 1960s minimalism with fashion and design, has instant aesthetic appeal. With a solid grounding in furniture, having served an apprenticeship as a cabinetmaker before attending Düsseldorf Art Academy, Walter's designs also have all a robustness and practicality. A wiring combination in our book.

SCIN Gallery

In Another Light
In *Another Light*, an exhibition opening at the SCIN Gallery, strips back preconceptions to allow visitors to see things from a new angle. A series of unusual installations will challenge conventional use of materials and there will be an anonymous display of work by a recognised artist who will be revealed in a 'Kierulff' evening.
Venue 27 Old St, London EC1V 9HE
Dates 3 September-10 October
Monday-Friday 10:00-14:00
Saturday-Sunday 12:00-14:00
