Benjamin Shine, 'Box Lounger'

Benjamin Shine, "Box Lounger". A leather bound and studded sofa. Find It and take a breather, pay homage to great British styling.

Artists and designers including Sir Peter Blake, Zaha Hadid and Giles Deacon re-design the iconic London red telephone box as part of BT Artbox, a new exhibition celebrating the 25th anniversary of charity ChildLine, which launches today in Trafalgar Square. The Boxes will be exhibited in different spaces across London.
