## Benjamin Shine x Givenchy's Made to Order Sweatshirts

April 2, 2013 by Hongi, Posted in Fashion, Tagged Givenchy, riccardo tisci

So after skipping the Haute Couture runway last season, Riccardo Tisci is continuing to challenge the rules of couture with Givenchy's new sweatshirt collab with artist Benjamin Shine. Yup, just the one sweatshirt. But what's so special about this sweatshirt is that it is made from ONE single piece of tulle, depicting an abstract Madonna. In line with the house's SS13 Menswear prints, Givenchy is all about the iconography at the moment, blending the worlds of art, haute couture, and sportswear.
